WISH: A special mother-daughter night out at the Bruno Mars concert

"Anyone who knows me knows how much we LOVE his music. The girls and I danced, sang, cried, and had the best time of our lives. With this breast cancer journey coinciding with the first Christmas without both of my parents, Bruno was the best gift ever. I am so thankful!"

Birdies & Bogeys

“

I could see their passion for assisting others going through cancer. The events are for fundraising, yet create a very positive environment for team building and meeting new contacts. A wonderful team that is exceptional to work with in accomplishing goals!
